About Council

The Sunshine Coast Council local government area is located in South-East Queensland. Home to more than 370,000 people and encompassing a land area of more than 2,200 square kilometres, our region is a model of sustainability, where caring for our environment, creating vibrant communities and growing our local economy is a way of life. We are globally recognised by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) as a biosphere reserve, which signifies a balanced commitment to responsible development, sustainable living, and active conservation. We are one of the largest regional economies in Australia and a key delivery partner in the Brisbane 2032 Olympic and Paralympic Games. We also have a strong reputation for our outstanding lifestyle, with a distinct natural environment, a rich history and a diverse social fabric underpinning the Sunshine Coast's identity.

Our vision and goals

Our Corporate Plan 2025–30 outlines a clear vision for the Sunshine Coast to be *Australia's most sustainable region. Connected. Liveable. Thriving.* This vision will be realised through 5 strategic goals: Strong community, Environment and liveability, Resilient economy, Managing for growth, and Organisational excellence. Every role in Council contributes to the delivery of our vision and goals.

Our values

As one of the biggest employers on the Sunshine Coast, our goal is to be a great place to work – with a variety of career paths, opportunities to learn and grow, and a strong commitment to wellbeing, health and safety, to diversity and inclusion, and to living our values. Everything Council does is underpinned by our values, which define the culture of the organisation and the behaviours that shape our interaction with the community and each other. Our values are depicted below, and they're embedded in everyone's roles.

Care +	Respect +	Trust +	Curious +	Connected +
We care for people and place	We respect everyone	We trust and empower	We explore possibilities	We are better together

Our vision	Australia's most sustainable region – Connected. Liveable. Thriving.
Our purpose	To serve our community with excellence, respect our past and position the region for the future.
Branch focus	Strategy and Policy Coordination Services provides high level advice and consulting services to the organisation to define the strategic direction of Council, connecting strategy, corporate planning, service delivery and funding partnerships through an integrated planning and performance framework.
Position focus	Lead an integrated approach to enterprise performance, coordinating the development of the corporate plan and consulting across the organisation to align the annual operational plan, develop meaningful performance reports and establish frameworks that support strategic alignment and adaptive planning.

Key responsibilities

- Providing strategic leadership to support the integrated planning and performance framework for the organisation, working collaboratively across the branch to establish resources that support strategic alignment, enterprise planning and performance monitoring.
- Coordinate the development of the corporate and operational plans in consultation with key stakeholders, including the Council, Executive Leadership Team, broader leadership and as informed by community engagement activities.
- Design and deliver community engagement activities, that support integrated planning and performance and shape the vision, goals and priorities of the Corporate Plan.
- Maintain an annual planning and reporting cycle that supports enterprise leadership and clearly connects key performance reports with planning and resourcing decisions.
- Design and deliver community engagement activities, that support integrated planning and performance and shape the vision, goals and priorities of the Corporate Plan.
- Deliver consultancy services to support the development of more meaninful measures and performance dashboards that support evidence based decision making.
- Coordinate the design, governance and delivery of high quality corporate reports, presenting quarterly and annual performance reports to Council and the community.
- Design and maintain contemporary performance measures and monitoring tools that promote outcome-focused delivery and evidence-based decision making.

- Analyse and interpret performance results and operating environment trends to inform executive decision making and organisational priorities.
- Lead the design, implementation and governance of planning and performance systems, processes and tools to ensure efficiency, accessibility and strong user experience.
- Build planning and performance capability across the organisation through facilitation, training, toolkits and internal consultancy support.
- Effectively represent the Directorate and Branch as a trusted advisor on projects and working groups, establishing productive relationships that contribute to meaningful outcomes.
- Coordinate enterprise-wide projects, that include complex multi-disciplinary change initiatives, taking a holistic approach inclusive of community needs, governance frameworks and cultural alignment.
- Prepare well researched, accurate and timely correspondence, reports, and executive briefings that contribute to council's governance responsibilities, strategic priorities and stakeholder engagement.
- Ensure compliance with legislation, Council policies and the highest standards of integrity, always protecting and advancing the public image of Council.
- Responsible for the compliant capture and secure use of public records in line with Sunshine Coast Council Records Management Policy during the conduct of daily business.
- Act in accordance with all action plans and systems that are in place to protect the health and safety of all employees, contractors, visitors, and volunteers at workplaces under the position's control, in accordance with Council's WH&S policy and legislation.
- Such other relevant duties as required from time to time which would generally fall within the scope of this position.
- Such other relevant duties as required from time to time which would generally fall within the scope of this position.
